Re: Letter Requesting for Session

Dear Senator Terlaje,

Hafa Adai! Thank you for your letter. As I had expressed to you upon receiving the Vetoed Bill 333-35, I stand ready to support your efforts to ensure transparency and restore the public's trust in our Government of Guam. As such, I am calling an Emergency Session for Tuesday May 5th, 2020 at 10AM at the Speaker Antonio Unpingco Session Hall at our Guam Congress Building. I understand that some of our Colleagues plan to advocate for various bills, and given that they may not have had a public hearing - I hope this gives them ample time to make the necessary arrangements should there be a need for a Committee of the Whole.

Given the bills that have been put forth, and the concerns from the community, I also hope we can take the next two days to collaborate on any pressing matters that will benefit the People of Guam, as well as work diligently to prepare for session next week.

In closing, I want to reiterate to you that should there be any way we can expedite relief to our People of Guam, or promote accountability and transparency, I stand ready to support such endeavor. Should you have any questions, or recommendations, please contact me directly.

Thank you for your continued support and advocacy for our People of Guam,

Tina Rose Muña Barnes
